**ORDER SETTING BRIEFING
SCHEDULE**

21 MC 100 (AKH)

21 MC 102

21 MC 103

ALVIN K. HELLERSTEIN, U.S.D.J.:

The Court has been advised of a dispute between the WTC Captive Insurance Company and Lloyd's of London, concerning the WTC Captive's indemnity obligation to Lloyd's under a settlement agreement resolving the former's claims against the latter. The inability to resolve the issue has caused a delay in payments due under the settlement agreement, both as settlement compensation to the settling Plaintiffs and as administrative costs for the Allocation Neutral. Given the urgent need for a resolution of the issue and the justiciable nature of the conflict, the parties shall set forth their positions, and provide supporting memoranda, by 5:00pm on April 11, 2011. The parties may reply to each others' submissions by 5:00pm on April 14, 2011. Briefing will then be closed. On April 11, the parties must also jointly submit a complete and unredacted copy of their settlement agreement.

The Court will either decide the issue on the papers or set argument.

SO ORDERED.
